

# Change a Life!!! support an **OC Scholar!!**

A contribution of just \$20.00 per month (\$240/yr.) provides a Scholarship for a student at an Operation Classroom Partner School in Liberia or Sierra Leone.

Your scholarship provides ONE SCHOOL YEAR'S TUITION AND FEES for a student, as well as helping to provide access to emergency health care.

Your scholarship also provides program support in West Africa. Every school that has an OC Scholar receives funds to assist the students/families with their applications, handle mailings, coordinate activities at the school, and communicate with the OC Country Coordinator, who provides information to the US OCI office regarding activities at the school.

As part of the OC Scholar Program, you will receive at least 2 communications per year from the student you support. Plus, the school will provide you with information regarding the student's academic progress. Note: ALL communications with students will be facilitated through the OC Office.

In addition, the support provides funds for travel and administration by the OC Country Coordinator in both Liberia and Sierra Leone, and funds for administering the program here in Indiana. Less than 15% of your contribution is used to provide for Operation Classroom's administrative costs.

Students are to communicate twice a year with their sponsor – at the beginning of the year, after they've been selected for a grant, and after the end of the first semester, so that they can report on their progress. ALL COMMUNICATION is through the OCOffice and not directly to the donor/sponsor.
